Commercial Mobile Radio Service Providers on a Confidential Basis

INFORMATION REGARDING CONFIDENTIAL FILINGS

This information is being provided to assist commercial mobile radio service providers (CMRSs) who wish to request confidential handling of portions of their Commercial Mobile Radio Service Provider (CMR) annual reports. The statutory filing date for the CMR annual report covering 2004 calendar year operations was April 1, 2005; 47 CMRSs were required to file this report for the 2004 calendar year.¹ The Commission has the authority to compel the filing of this annual report pursuant to Wis. Stat. §§ 196.202 and 196.218 and Wis. Admin. Code ch. PSC 160.

The 2004 CMR annual report is contained in the 2004 Web Annual Report Program for ARW, CMR, CTV, RES, and OTH-No Activity in Wisconsin Providers. The 2004 CMR annual report² essentially requires information identical to that requested in the 2003 CMR annual report. For the 2004 CMR annual report program, released on January 5, 2005, the Commission

¹ Most CMRSs have filed the required 2004 CMR annual report with the Public Service Commission of Wisconsin. Those entities do not need to take any additional action at this time.

² The 2004 CMR annual report also requires CMRSs to report all dollar amounts to the nearest thousand dollars. (Example: \$130,000 should be reported as \$130. Dollar signs or commas should not be typed when entering dollar amounts or numbers in the program.)

Information Regarding 2004 CMR Annual Report Confidential Filings

has continued a paperless filing process; the web-based application does not require the downloading of a program to the annual report user's computer. Each CMRS required to file the 2004 CMR annual report was sent a letter dated February 9, 2004, or later in the case of CMRSs added in calendar year 2004, containing a password³ to be used to access the CMR annual report program for completion and filing of the CMR annual reports. The 2004 CMR program does not contain capability allowing users to file any portion of the report on a confidential basis. Unless a CMRS desires provisional confidential treatment of any portion of the 2004 CMR annual report, all 2004 CMR annual report filings must be accomplished via the CMR web-based application.⁴

Filing of the 2004 CMR annual report using the web-based application will result in the entire report being available to the public. Any CMRS wishing to file a portion of its 2004 CMR annual report on a confidential basis should note the particular procedures, as detailed on the Commission's web page, which must be followed for a manual annual report filing. CMRSs wishing confidential handling must submit a request, in accordance with Wis. Admin. Code § PSC 2.12, as part of their ERF manual filing. Subsequent to such manual filing, the Commission will issue a confidentiality determination in accordance with the rule. If the Commission denies a request for confidential handling, the information will be handled

³ If a user has misplaced the annual report password, a feature has been added to the Commission's web page allowing the primary contact or annual report filer of the most recent annual report to request the password via e-mail.

⁴ Commission web-page instructions direct that if a user desires provisional confidential treatment, the user should not electronically file the annual report. Instead, the user should follow the required manual filing procedures posted on the Commission's web page (<http://psc.wi.gov>) for filing via the Electronic Regulatory Filing (ERF) System.
